Our Vision

To be the leading hotel group in Asia Pacific recognized and preferred by employees and guests worldwide.

Our Objective

We will expand our portfolio to first and second tier cities in China and increase to over 40 managed or owned hotels in the next few years.

Our Brands

Regal Royale Regal Royale Hotel offers the most stylish and plush facilities with exclusive level of comfort and personalized services. From elegant surroundings of exquisite quality, dedicated 24-hour club lounge service to state-of-the-art meetings and guestroom features and amenities, Regal Royale provides its guests with unforgettable and distinctive experiences.

Regal Regal Hotels are 4 to 5 stars hotels with international standards of comfort. Each Regal Hotel offers its own unique character providing spacious, full-service accommodations, well-equipped work areas, choice of dining and entertainment venues, comprehensive meeting and conference facilities.

Regal Residence Regal Residence incorporates luxury hotels and residential condominiums into a single development program. Inhabitants have access to all the services and amenities of a five-star hotel; namely, concierge, room service, valet, housekeeping service, gourmet restaurants, and other recreation facilities. Residents will have the convenience and amenities of a hotel, yet live in comfort and privacy.

Regal iClub Regal iClub Hotel, the first select service hotel brand under the group, offers clean, comfortable accommodation in colorful and trendy surrounding. The I-Tech features create an environment for guests to enjoy free internet access, internet games, and more. Specially tailored for travelers who look for convenience at affordable rates.

Our Uniqueness

Owner and Operator Perspectives

- Regal Hotels International is an established enterprise in Hong Kong since 1979 focusing on hotel management, and have thorough understanding of business operations to manage hotels in an effective and responsible manner.
- Regal Hotels International is proud of being the hotel owner, and fully understand the aspects of being both the owner and the operator.
- We understand the importance of capital and human resources management, our strength and key for success is to maximize revenue for the owners.
- Our management team conducts audit for every Regal Hotel each year and emphasizes on frank and open communication between owner and the management team.

Unique Characteristic

- We have the characteristic of an Oriental, who is hospitable, passionate and energetic and have the advantages of Hong Kong based as being efficient and effective.
- Regal Hotels International establishes solid relationship with business partners for obtaining the latest information from the market for business and marketing of our hotels.

Loyal Customers for Repeated Business

- We have a comprehensive system of loyalty program management for different customer segments including loyal diners, frequent travelers, bookers and users.

Focus on Maximizing Revenue

- All Regal operating hotels are members of Preferred Hotel Group either a Summit or Sterling hotel with worldwide support.
- Strong Food & Beverage business and management experience in Hong Kong and Shanghai, evidence in profit performance in a range of popular restaurants including a Michelin-rated Cantonese restaurant, Regal Palace of Regal Hongkong Hotel.
- Worldwide reservation network including regional sales offices around the world, international toll-free reservations system, Global Distribution System and own brand website.
- Our own brand website www.regalhotel.com with powerful booking engine is set up for guests to book accommodation anytime anywhere and Search Engine Optimization (SEO) to drive traffic and online business for targeted customers.
- Regional and corporate sales teams provide key services in eCommerce, pricing, revenue management, regional sales support and global sales.
- Solicit travel wholesalers, multinational corporations and international conventions through Regal's General Sales Agents and Regional Sales Offices.

Our Services

Regal Hotels experts work closely with owners and developers to oversee every detail from concept development, site selection, design co-ordination and contractor selection to procurement, décor, licenses, staff, marketing and reservation systems ready before the opening as well as organizing opening ceremony and activities.

Consultancy Services

- Regal Hotels International provides objective analysis to evaluate the viability of the project with details, such as defining the size and style of hotel which is most suitable for the location, including site evaluation, market potential, concept development and financial viability calculations.
- We gather design briefs and master planning for the entire project.
- Our team of experts works closely with owners and developers to oversee every detail with a comprehensive "Total Project Management" service.
- We provide professional recommendations on the technical aspects of a project, including the selection of appropriate equipment, décor and all licensing requirements and applications.

Pre-opening Services

- Recruitment and Training**
 To assist with your opening, we will recruit, hire, and effectively train the right people to help you to accomplish your goals.
- Pre-opening Marketing Plan**
 The scope and style of the opening activities require full understanding of the property itself, the location, the community, the market as well as the targeted guest mix. As an experienced hotel operator, we wisely plan and co-ordinate all pre-opening to opening activities, sales and marketing efforts, advertising and promotional activities necessary for a successful hotel opening.
- Financial Reporting and Record-keeping**
 We deposit and disburse the appropriate expenses and keep record of the expenses utilized in the development of the project. Moreover, we provide detailed financial statements, schedules and progress reports every month.
- Total I.T. Solution**
 Regal Hotels International offers a total I.T. Solution for new and existing properties alike. These systems, either initiated by our company or through partnership companies, are well-developed, tested and internationally recognized.
