With 1,208 guest rooms, 90 of which are suites, Regala Skycity Hotel has the largest number of guest rooms on Hong Kong's Lantau Island. All rooms are designed with a modern simplicity that exudes a vibrant and contemporary aesthetic while prioritising endorphin-boosting natural sunlight. Designed by the Hong Kong based award-winning architect and interior designer **Alexander Wong**, the hotel offers two Banquet Halls and the Regala Grand Ballroom, which is one of the biggest ballrooms in Lantau.

Accommodating up to 76 tables, **the Regala Grand Ballroom** expresses a dynamic energy through the myriad of rectangular white frames 'spinning' over like the Spiral Sky. The unique ceiling design creates a special lighting experience, complemented with a shoal of auspicious crystal chandeliers and giant pillars that also function as an LED display.
